

Spalding Arts & Crafts Society

Founded 1916

www.saacs.org.uk

The society is proud to be one of the oldest art societies in the country. The first records show that the society was formed in 1916 and meetings were held at the Johnson Hospital. It is popularly believed that the society was set up as therapy for servicemen wounded in the First World War. Spalding Town Council sponsored it's first exhibition in 1918

In 1930 the Society was invited to hold an annual exhibition at Ayscoughfee Hall - a tradition that continues to this day. The present day society is still thriving. Members exhibit their work in galleries and take part in local & national exhibitions and competitions

We are a friendly group of local artists and are always ready to welcome new members whether you are a professional artist or a total beginner looking for help & inspiration. We hold exhibitions at several venues during the year, have challenges and the odd outdoor painting session

Annual Membership fees, payable in April, are very affordable at £18 per person
